STUDENT ACCOMMODATION

WHY SLUMBERCORP® COMMERCIAL?

SlumberCorp® have been **manufacturing mattresses and ensembles since 1995** offering our products at wholesale prices direct to industry. We have dedicated account managers to provide product consultation and advice ensuring you receive the **right product for your circumstances, on budget and on time.**

DESIGNED FOR STUDENTS

SlumberCorp® bedding systems are manufactured and to provide all-round superior comfort and support for your students over the guaranteed life of the mattress, using only the very best materials and high grade spring systems.

COGNITIVE HEALTH

SlumberCorp® mattresses provide a restful night's sleep so students awake energised and charged for the day.

REST FOR MEMORY

Sleep enables 'memory consolidation'. As their bodies rest, students' brains form crucial connections between events, sensory input, and emotions.

HEALTH & IMMUNITY

Quality sleep in a comfortable bed positively impacts a student's health & immunity, concentration, energy levels, learning, well-being, and stress reduction.

EXCELLENT ROI

We have years of experience supplying schools colleges and universities throughout Australia.

AWARD WINNING COMMERCIAL SOLUTIONS

AHA'S BEST ACCOMMODATION HOTEL SUPPLIER & BEST HOSPITALITY FURNITURE SUPPLIER 2022

SlumberCorp® prides itself on having a **clear understanding of our commercial customers.** This, in addition to us maximising the performance of our operation teams – results in **robust, tailor-made yet low-risk delivery options for our customers.** This shows that as a business, **SlumberCorp® Commercial** is devoted to developing and maintaining customer relationships that are **built on providing the best buying experience.**

OUR KEY FEATURES SUPPORTING A RESTFUL NIGHT'S SLEEP:

Compu-Tec Series 5™ Spring Systems

Our mattresses are manufactured using a superior double tempered spring system design for a highly resilient and longer lasting support system.

Fully Edge-supported Mattresses

Our fully edge-supported mattresses optimize sleeping surface, prevent roll-out, and enhance durability for a comfortable and secure sleep experience.

Fire Retardant Materials

Our fabrics are fire retardant for peace of mind.

Single and Double-sided Mattresses

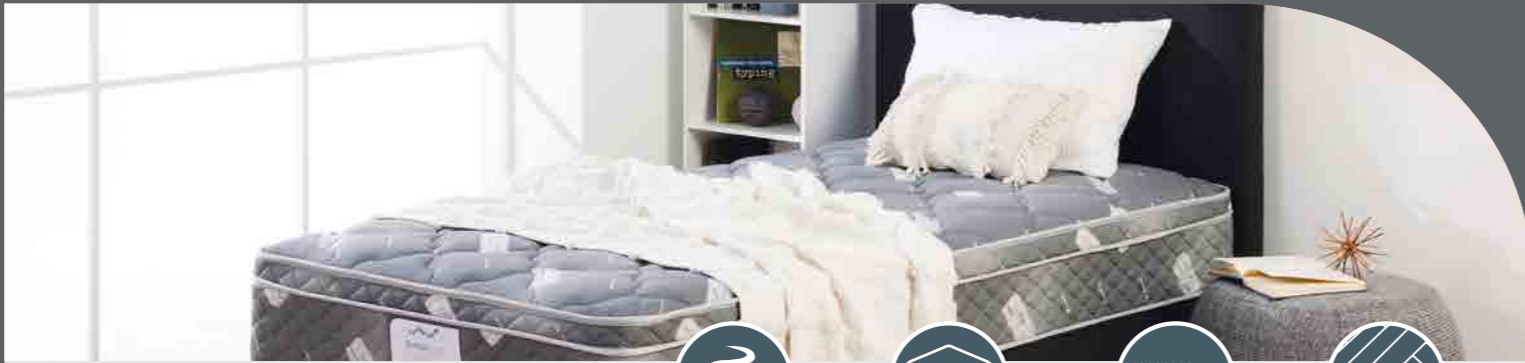

Both single-sided and double-sided mattress options available to meet your budget and life span requirements.

 HealthVantage™

Health Vantage Allergy Free Sleeping Zones

SlumberCorp® is the only company to use Health Vantage™ treated foams which control: dust mites, mildew, mould and bacteria creating and allergy free sleeping zone. Health Vantage™ kills 91% of dust mites as they land!

SINGLE SIDED MATTRESSES

SERIES 5 COMPU-TEC™ SPRING SYSTEM

PERIMETER EDGE SUPPORT

HIGH DENSITY FOAM GUARD™ FELT INSULATOR PAD

MICRO QUILTED COTTON TICKING

With their combination of **convenience, durability, and comfort** – **single-sided mattresses** provide a budget-friendly choice for individuals seeking a hassle-free, comfortable sleep experience. One-sided design **eliminates the need for regular flipping, reducing maintenance efforts** and allows for incorporation of **advanced comfort technologies** that optimise support and comfort for enhanced sleep quality.

Our single-sided mattresses feature hypoallergenic **Health Vantage™ treated foams**, and are constructed with fully edge-supported **Compu-Tec™ commercial spring systems**. We incorporate a variety of highly durable comfort and upholstery layers including **micro quilted cotton ticking** combined with sanitised polyester, enhanced by **Foam Guard™ felt pads** for extra insulation, and **fire-retardant cotton** covers.

DOUBLE SIDED MATTRESSES

SERIES 5 COMPU-TEC™ SPRING SYSTEM

PERIMETER EDGE SUPPORT

ORTHO-TEC™ ORTHOPAEDIC ZONING

HYPERSOFT QUILTING FOAM

Double-sided mattresses offer a range of advantages that promote **extended mattress life and customised comfort**. Double-sided design distributes wear more evenly, reducing the risk of sagging and indentation, and incorporate **zoning technology** to cater to your individual sleep preferences. Our mattresses are constructed with **commercial grade Compu-Tec™ spring systems**, and are zoned to assist with

spinal alignment. They also feature **highly resilient Comfort Firm™** and **Hypersoft comfort layers** combined with sanitised polyester sheeting, as well as **Health Vantage™ treated hypoallergenic foams**, **Foam Guard™** layers to insulate the foam and upholstery from the spring system, and **fire retardant** protective fabrics.

SlumberCorp | COMMERCIAL

UNIVERSITY OF WA

“Slumbercorp, over many years, have been a supplier of bedding products for our student accommodation and during our association with Slumbercorp we have always found their products and service to be of the highest standard. Therefore there is no hesitation for us to recommend their products alongside their excellent service.”

CAROLYN DEGRAUW

UWA Accommodation and Commercial Services

FAIRHOLME COLLEGE

“Fairholme College have been purchasing Slumbercorp Mattresses and Bases for over 10 years. Being a boarding school to over 220 young girls, we must ensure that we provide a “home-like” environment for our girls to thrive in. An integral part of creating that “home-like” environment is to ensure they receive a good night sleep each & every night. Slumbercorp have been able to provide quality Mattresses & Bases time & time again to assist us in our mission.

I would have no hesitation in recommending Slumbercorp for the supply of quality bedding at very competitive prices for a boarding school or home environment. Slumbercorp’s staff are friendly, easy to deal with and always willing to help.”

SHANE TESSMER

Facilities Manager — Fairholme College

STUDENT HOUSING TESTIMONIALS:

GUILDFORD GRAMMAR

“Guildford Grammar School have been purchasing our boarding schools’ bedding needs through SlumberCorp for over 2 decades.

We are very happy with the whole process SlumberCorp offers, from the initial consultation when looking for the right product and specifications for both mattresses and ensemble bases to communication throughout the whole manufacturing process and then liaising with the logistic side for a smooth delivery.

The products are always quality and the service provided from the commercial division is always very professional. We thoroughly recommend SlumberCorp Commercial for any school boarding bedding requirements.”

DAVID YORK

Director of Property — Guildford Grammar School

CHRIST CHURCH GRAMMAR

“Christ Church Grammar School have been using Slumbercorp as our preferred bed supplier for many years and their product and service is outstanding. Nothing is too much trouble and their response consistently aligns with our requirements. I have no hesitation in recommending Slumbercorp Commercial for your bedding needs”

CONRAD SCOTT

Facilities Management — Christ Church Grammar

CREATING A DIFFERENCE IN THE WORLD OF COMMERCIAL SLEEP SOLUTIONS
